UNLOCKING THE ENERGY EFFICIENCY

Yuliya Borshchevska, Lukáš Lehotský
Evaluating the Czech Republic’s progress on energy efficiency: major achievements and pitfalls

Márton Ugrósdy, Petra Sándor
Hungary and renewable energy sources: moving ahead using competitive advantages

Andrii Chubyk
Energy efficiency in Ukraine—instrument or bluff?
Guidelines for contributors

Although many articles are commissioned, unsolicited articles are welcomed. Authors may expect to hear a decision within two months of acknowledgement. International Issues & Slovak Foreign Policy is a refereed journal.

Articles should be original and deliver the data that are accurate, meaningful and timely. It should not be under consideration elsewhere. The text should be submitted to editors in the simple Word document format with and abstract summarizing the main points. The length of contributions should not exceed 6,000 words.

Quotation should be clearly gathered in a manageable proportion as footnotes. Footnotes should be presented as follows:

Books

Articles in journals

Articles in Volumes

Articles in newspapers

Articles available online:

Documents
“Joint communication to the European Council, the European Parliament, the Council, the European Economic and Social Committee and the Committee of the Region. A partnership for democracy and shared prosperity with the Southern Mediterranean,” COM(2011) 200 final, European Commission/High Representative of the Union for Foreign Affairs and Security Policy, March 8, 2011.

Editor reserves the right to structure the text by adding sub-headings, unless this is already done by the author. Articles should be written in English. Authors will be sent the edited and proofread articles for checking on the understanding. Contributors of accepted articles will be asked to assign copyright to the publisher.

We also welcome reviews of new books (1,500 words).
